

## DRAUGHT BEER

**Kirin Ichiban** Japan/California ABV: 5% 6  
meaning number one in Japanese, Kirin Ichiban begins with a unique First Press brewing process, which extracts only the purest, most flavorful portion of the finest ingredients.

**Chimay "Cinq Cents"** Belgium ABV: 8% 10  
of a golden color, the Trappist beer combines sweet and bitter in a rare balance. The beer's aroma felt in the mouth comes from the hops' perfumes: above all, they are fruity touches of Muscat grapes and raisins, even ripe apples

**Brooklyn Blast!** Brooklyn, NY ABV: 9% 6.5  
with earthy English hops to build the foundation and bright citrusy American hops to bring the noise in the rambunctious IPA they call BLAST! British Maris Otter and German Pilsner malts lends solidity, balance and bready flavors to brace up a beer that's beautifully hoppy, strangely quaffable and oddly compelling.

**Dogfish Head 90 Min.** Delaware ABV: 9% 6.5  
an imperial IPA best savored from a snifter, 90 Minute has a great malt backbone that stands up to the extreme hopping rate continuously hopped for 90 minutes

**Left Hand Good Juju** Colorado ABV: 4.5% 6.5  
basically a pale ale brewed with some of the hops which would normally be used in the beer replaced with freshly ground ginger root. The beer is light in body, lower in alcohol, has a distinct ginger aroma and a crisp finish

**Port Anniversary Ale** California ABV: 10% 7  
a massively hopped strong pale ale brewed to celebrate our anniversary each year. Anniversary Ale is light gold to pale orange in color and offers a potent aroma of fresh pine and citrus with some warming alcohols present. The taste is a thick, chewy hop presence only barely contained by balancing malts.
